# Gentle encouragements

**We'd love to see you!**

Please turn on your camera when possible.

**What's on your mind?**

Use chat function,  
raise your hand, or  
send a reaction.

**Shhh!**

Don't forget to mute  
your audio when  
you're listening.

# Institute Learning Objectives

- Review **Nevada's plan to end the HIV epidemic** and identify gaps in PrEP access to increase uptake among priority populations
- Describe updates to the **CDC PrEP guidelines** (December 2021), including eligibility criteria, safety monitoring, on-demand use, and long-acting formulations
- Identify **strategies to facilitate PrEP uptake**, including methods to finance PrEP care and deliver culturally responsive, trauma informed services
- Devise **organizational PrEP implementation action plans**

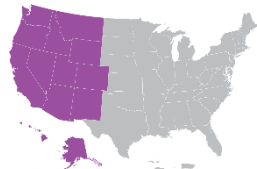

# Agenda: Day 1

## **Day 1: April 5, 2022, 9:00am-1:00pm PST**

- Ending the HIV epidemic in Nevada and the role of PrEP
- Advances in PrEP Care: What's new?
- Gathering client perspectives on successful PrEP services
- Organizational models of PrEP Implementation: Lessons from the field

<https://getsfcba.org/resources/nevada-prep-institute/>

*Slides will be shared with Institute  
participants*
